Parker's majority in Kentucky is
14,715, which isn't so bad in such an
early year.
Lawrence county proved true to her
us of the past twenty years in go-
ing Republican in National contests.
Only once has she failed to do this.
When our old subscribers unfold the
NEWS this week the absence of our
familiar flock of roosters from these
columns will tell them the sad story
at a glance.

All Big Sandy counties should send
good delegations to Huntington on
Nov. 18th, in answer to the call of Col.
Northrup, President of the Big Sandy
Improvement Association. It would
also be well to have as many as pos-
sible attend the Ohio Valley Associa-
tion meeting the two preceding days.
It also meets at Huntington.

The 10th Annual Convention of the
Ohio Valley Improvement Association
will be held at Huntington, W. Va.,
Wednesday, Thursday, and Friday, Nov.
16-17-18. This Association is doing a
great work for the improvement of
Ohio river and its tributaries and
is therefore to Big Sandy's inter-
est to keep in touch with it. We
hope to see a large number of our
people at the meeting.

ANXIOUS MOMENTS.
Some of the most anxious hours of
a mother's life are those when the lit-
tle ones of the household have the
croup. There is no other medicine so
effective in this dread malady as
Foley's Honey and Tar. It is a
cough trouble, and as it contains
opiates or other poisons, it can be
given. Louisa Drug Co.

UNCLAIMED LETTERS.
The following letters remain un-
claimed in the Louisa postoffice for
the week ending last Saturday:

Record-Breaking Landslide to

KEHOE'S RACE CLOSE.

The election last Tuesday was a
landslide of such huge proportions
that the result surprised everybody.
If there is anything about the elec-
tion that you want to know and that
is not told in these columns, just
consider that it has gone Republican.
All the States that were considered
doubtful before the election went for
Roosevelt decisively. His majority
in the electoral college will probably
be the largest ever given.

Kentucky is about the only State
that ever went astray before and re-
mained in this Democratic column this
time. The majority is not unusually
large, but we are thankful for small
favors this time.

West Virginia is Republican all the
way through.

Even Missouri has given its vote to
Roosevelt, but the State has elected
Folk, Democrat, for Governor.

Pike county gave a Republican ma-
jority of 550 with one precinct un-
reported.

Tennessee is still in the Democratic
column by a large majority, although
first reports gave it as Republican.

The returns from the Ninth district
are all in except one precinct and
the two candidates are within 10
votes of each other. It will require
the official count to decide the race.

The race for Congress in this dis-
trict is so close that both candidates
are claiming it.

A report from up Sandy says that
Dingus, Republican, is elected Cir-
cuit Judge over Gardner in the dis-
trict composed of Knott, Floyd and
Maggoffin counties.

Johnson county gave a Republican
majority of 1023. The unofficial fig-
ures in Lawrence county give the Re-
publicans a majority of 226. Kelso
ran a few votes ahead of the Na-
tional ticket.

Here stands Old Kentucky.

GLENWOOD.

On last Wednesday there was quite
a surprise birthday dinner on Un-
cle Johnnie Webb. His children were
all present—Dave John and wife,
of Willard; A. J. Webb and wife, of
Olliville; Mrs. M. F. Cooksey and
Mrs. J. W. Pennington, of Denton;
J. F. Webb, of Ohio; Mrs. W. M. Cook-
sey, Mrs. W. S. Queen, Wesley and
Flem, of this place. There were
numbers of his grand and great grand
children present. This was Uncle
Johnnie's 57th birthday. They had a
fine dinner and the day was enjoyed
by all. In the afternoon the party
had their pictures made all together
for the first time in life. The oldest
being 64 years of age and the youngest
29. They all separated with tears
in their eyes and that thought of
never all meeting again on this earth,
but they live in hopes of meeting
in that beautiful home above where
there is no more sorrow or parting.

The sawmill of Belcher & Son is cut-
ting some fine lumber for Queen &
Webb. It keeps the teamsters busy
hauling it to the station.
On last Wednesday Dave Burk had
misfortune of getting the leg of one
of his oxen broken while hauling logs.

Miss Quinn Cooksey, of Fallsburg,
visited relatives and friends on East
Fork last week and was accompan-
ied home by Ida Cooksey and C. H.
Kirby.

There was church at Sand Hill last
Sunday by Rev. Richard Hall. He is
a fine talker. Rev. Hall and family
have been visiting their parents here.
They started to their home in Nich-
olas county, Va., last Wednesday.

Mrs. Hall's sister, Miss Eva, was
married recently to John Fields in
widower. We wish them a long happy
life.

Curtis Reeves, one of the leading
business men of Lost creek, and
Miss Effie, daughter of J. B. Webb,
were united in the holy bonds of
matrimony by Rev. Ratcliff last
Wednesday. They are very highly
connected and worthy young people
and will undoubtedly succeed in life.
May happiness and peace be their
lot.

Mrs. Rosa Adkins and daughter,
Vaud, of Jills, W. Va., and Miss Belle
Webb, of Olliville, are visiting their
grandmother and relatives on East
Fork this week.

Cora Jordan, who has been at Ash-
land for some time, has returned home
Hermine, Webb, Cora Jordan and
Louisa Cooksey visited the Glen-
wood school last Thursday.

Our school is progressing nicely

under the management of Jimson
Skoons.

Inez Fields, of Mattie, W. Va., is
here visiting her uncle.

Guinn and Louisa Cooksey spent
the day with Miss Mirie Kirby last
Wednesday.

Jane Cunningham is staying with
Mrs. Hillman this week.

Jessie Jones and son paid home
folks a visit last week. Dorcas.

ONLY MAKES A BAD MATTER WORSE.

Perhaps you had never thought of
it but the fact must be apparent to
every one that constipation is caus-
ed by a lack of water in the sys-
tem, and the use of drastic cathar-
tics like the old fashioned pills only
makes a bad matter worse. Cham-
berlain's Stomach and Liver Tablets
are much more mild and gentle in
their effect, and when the proper
dose is taken their action is so natu-
ral that one can hardly realize it is
the effect of a medicine. Try a 25c
bottle of them. For sale by A. M.
Hughes.

OUR NEIGHBORS.

Prestonsburg.—Deputy Sheriff Wm.
Bates and posse arrested John Hall
charged with the murder of Deputy
Sheriff Keathley, of Pike county, and
delivered him to the Jailer here.

The three-year-old daughter of Gar-
ry Conley, in Magoffin county, was
burned to death last week. Her
clothing caught fire from an open fire
place.

Married, recently at Auxier, John-
son county, Mrs. Sarah Elliott to J.
Payne Rife, of Paintsville. Mrs. El-
liott rented her farm to H. Brown and
will reside with her husband at Paint-
sville—Herald.

Paintsville is in the middle of a
squabble over the question of increas-
ing the mail service. The public want
mail on the train arriving at 7 p. m.,
and departing at 5 a. m. The post-
mistress, Mrs. Thos. Kirk, is fighting
the proposition because it involves
longer hours for her.

Prestonsburg is again without a
newspaper, the recent venture having
gone the usual route, after passing
through a number of hands. The
Big Sandy News is now in its 20th
year, and has announced the death of
perhaps not less than a score of Big
Sandy newspapers.

Capt. Thomas R. Jones, a former
U. S. O. railway conductor, but who
has been in the insurance business
at Huntington for a number of years
was accidentally shot and instantly
killed, while hunting with his son on
a farm on the Guyan Valley railroad.
The accident was the result of the
trickster of his gun being caught on
a rail of the fence, over which Capt.
Jones was climbing. The entire con-
tents of one barrel of the gun bur-
ied itself in Capt. Jones' head, tear-
ing away one side of the face and
head.

The following from the Huntington
Advertiser fully illustrates the ef-
fect of whiskey drinking:
"The death of William H. Spears
in a drunkard's cell in the city jail
is a temperance lesson more force-
ful and convincing than all the elo-

quence of ministers and temperance
lecturers the world over.

A man once wealthy, respected and
prosperous, with a loving wife and
happy children, died friendless and
alone, the wife driven to insanity by
his excesses, the children scattered
among relatives more kind than their
parent. It was the old story of an
appetite for drink, more strong than
conjugal or parental love, more strong
than the desire to be honored and
respected by his fellow men, drag-
ging a man once honored, down in
the lowest depths, and finally bring-
ing to a close under the most repul-
sive circumstances under which death
can come to a man, a life that in its
later years must have been one of
misery alone.

There was hardly a man in Hun-
tington who did not know "Jarvis"
Spears. Yet when the end came, not
a tear was shed, no loving fingers
scattered flowers above his last rest-
ing place, a pauper's grave.

His life has been lived and his mem-
ory will survive only as it points out
to others who have gone less far, the
danger that attends their course."

They are so strong
and well made that
accidents don't happen
to them, and so hand-
some that you'll be
proud to show yours
anywhere.

Drop around and
let us show you a few.
Our watches keep
time, but our prices
are so low that we
can't keep the watches.
